## Enclosure series polyDOOR

Type: PD 120

Material-No.: 130.120.000

\* Please note: Mould slope for casting ejection, dimensions in the amount of the bottom!

Enclosure material	Polyester GrP, UL 94 V-0, RAL 7032, pebble grey	Ingress protection	IP66 EN 60529
Lid screws	2x Polyamide (PA), captive	Weight	850 g
Gasket	1x Chloroprene (CR), light grey	Tolerance	DIN ISO 16901 T-130 (outside dimensions ±0,5mm)

### 130.120.000 polyDOOR PD 120

#### Product overview

Material	Polyester
Protection Class	IP 66/EN 60529
Color	RAL 7032
Certifications	CSA (optional), UL (optional)
Length (L)	5.51 inch
Width (W)	4.72 inch
Height (H)	3.94 inch
Weight (g)	850 g

#### polyDOOR

THE ROBUST, HINGED POLYESTER ENCLOSURE

#### IP 66

#### The key product features:

- Enclosure material: glass-fibre reinforced polyester
- Enclosure surface: similar to RAL 7032
- Integrated hinges
- Integrated viewing panel
- · Lid screws in polyamide
- Flammability: UL-94 V-0
- Enclosure seal: O-ring gasket (EPDM)

---

polyDOOR is a range of weather-resistant IP 66 enclosures in glass-fibre reinforced polyester that features a hinged front lid for easy access. The enclosures are ideal for industrial electronics and control equipment used in harsh indoor and outdoor applications.

Special features include integrated hinges for opening the lid, transparent front windows and optional lid fixings: slotted (standard), triangular or square head for tamper protection, and hand screws for fast access. Threaded fixing pillars are provided inside for mounting the components. polyDOOR is available in a wide range of standard sizes. Cable glands and other accessories such as terminal rails and mounting plates are also available.

We can supply polyDOOR enclosures fully customized to your requirements.

# **Full-Service-Products**

Customization according to your wishes.

Everything begins with individual advice. We'll be pleased to support you with your project and find solutions for every requirement. Customer-specific solutions are our speciality.

Test our products with your internal mounting. We'll be pleased to send you a sample enclosure for inspection with no strings attached.

We'll manufacture every enclosure for you according to your exact specifications - whether they involve precise drilling or large tolerance.

Thanks to our modern CNC production, we can quickly and efficiently mill custom-fit cut-outs and contours to match your exact specifications.

Our services also include engraving your logo and other elements, which we can of course perform in any colour you desire.

We can process stainless steel enclosures and plates quickly and reliably according to your individual requirements thanks to our in-house lasering centre.

We can powder coat enclosures, command enclosures and suspension systems in any RAL colour you desire. Custom colours are of course also possible.

We can also paint all our enclosures in any RAL colour you desire. The application of primer and special colour

structures are possible, as well.

If desired, we can apply your logo and lettering or other markings using serigraph printing.

Digital printing is particularly worthwhile for low-volume order s and for realising complex pa tterns or images.

We offer our conFORM low-price standard EMC enclosure to protect your internal mounting against electromagnetic radiation. On request, we can also supply an EMC-compliant version of any other ROLEC enclosure.

If you have any requirements for services not listed here, please ask us. Customer-specific solutions are our speciality. We also are keen to take on unusual tasks.

We will help you with those challenges that many others would give up on.

**Our Service** 

We are able to offer the right made-tomeasure display for all our enclosures - in varying sizes and degrees of robustness depending on the application.

ROLEC's portfolio also includes matching front plates, mounting plate, supporting rails and terminal blocks as well as a range of cable glands, blanking plugs etc.

Would you like to have all your components supplied already assembled? No problem. Our assembly team will be pleased to perform all assembly work on your behalf.
